Guidance for those who wish to marry on approved premises

1. As soon as a couple have made provisional arrangements for their marriage on approved premises; they should be advised to contact the Superintendent Registrar for the district in which the premises are situated at The Register Office, Town Hall, Hanley, Stoke – on – Trent. ST1 1QQ. Tel: 01782 235260.
2. Without the presence of this Superintendent Registrar and a Registrar there can be no marriage and any arrangements for the use of the premises depend entirely on their availability. It is, therefore, essential that the couple make an advance booking with the Superintendent Registrar for his attendance at their proposed marriage as soon as a booking is accepted. A fee for this attendance will be payable before the ceremony.
3. The couple will also have to give a notice of marriage to the Superintendent Registrar(s) of the district(s) in which they live. This notice must be given in person by both parties and is valid for 12 months.
4. The couple should be warned that any arrangements made for a marriage to take place on the approved premises are dependent on:
 - (a) The attendance of the Superintendent Registrar and Registrar for the district in which the premises are situated;
 - (b) And the issue of the authority or authorities for marriage by the Superintendent Registrar(s) to whom notice of marriage was given.
5. When notice is given in a different registration district from the one where the marriage is taking place, the couple will have to collect the authority before the ceremony and ensure that it is delivered to the Registrar who is to attend the ceremony.
6. The couple should be advised that only a civil, non – religious ceremony can be permitted by the Superintendent Registrar. Any music, reading, words or performance which form part of the ceremony must be secular. The content of the ceremony must be agreed in advance with the Superintendent Registrar who will be attending the ceremony.
7. Any rights of copyright for music, readings etc permitted at the ceremony are a matter for the couple and holder of the approval.
